TIGER LEGACY FOUNDATION GRANT UPDATE

GOOD NEWS! In January the Tiger Legacy Foundation received a gift of \$100,000 to specifically benefit the students in the Special Education program. "The Stone Soup Fund" was given to show appreciation for the Special Ed. staff, and specifically Ms. Lisa Wright, for their work with the students. The donors want the nutrition and food insecurity needs of the students to be identified and addressed during the summer break. We are purchasing hot meals from Meals on Wheels and delivering 7

meals to students each Monday for the summer. We also purchased a much needed washer, dryer and supplies for the department.
